

OranoBox

**Digital Platform dedicated
to Nuclear Materials & Waste
Management Solutions**

User instructions

orano

OranoBox : Create your account in 3 steps

1

Go to the homepage of the OranoBox platform by typing <https://oranobox.orano.group> in your search bar via your internet browser from your computer or smartphone.

2

Request your account by clicking on « **Request your account** » at the top right of the screen and fill in the dialog box.

A screenshot of a dialog box titled 'Request your OranoBox account'. It contains a message: 'Your address is not part of our database. Please could you provide some additional information about yourself?'. Below the message are several input fields: 'First Name', 'Last Name', 'Company', 'Role inside the company', and a dropdown menu currently showing 'Afghanistan'. At the bottom of the form is a yellow 'CONTINUE' button. Below the button, it says 'Already have an account? Login'.

3

Check your mailbox. An « **OranoBox - Create Account** » email has been sent to you. Click on the « **Create Account** » link in the email to finalize its creation.

A screenshot of a dialog box titled 'Set your password'. It contains two input fields: 'Password' and 'Confirm password', each with a small eye icon to the right. At the bottom of the form is a yellow 'ACTIVATE MY ACCOUNT' button.

Your account is now activated, you can discover further* the OranoBox platform !

* Discover the main features of the platform on the following pages.

Main Features of the Platform

Tools for finding a Solution

4 Tools to help you find the Solutions you are looking for.

A > Z Search by **index**: consult the different Solutions in alphabetical order.

 Search by **Keywords**: enter a word related to the Solution you are looking for.

 **Assisted Search**: Find a Solution by entering the segment, the waste family and the stage and access to the results.

 Search using **Filters**: Select filters to search or refine a search in progress.

Online Solution features

Solution Sheet tab:
Discover the Solution Sheet and its characteristics (Challenge, Benefits, etc.)

 **Download it in PDF format** to reach it easily by clicking on « **Download Sheet** ».

Solution Support tab:
Access the contacts dedicated to the Solution (Regional Sales Representative, Entity Referent etc.) as well as supports related to the Solution (country review, presentations, etc.)

Segmentation Criteria tab:
Consult the criteria of the Solution (waste family, segments, etc.)

The online Solution is organized in **3 tabs** allowing access to **3 sets of information**.

A question about this Solution?: Ask a question related to a Solution. You can find the history of your requests, the status of their processing and the answers in the « **Messages** » tab of « **My Account** ».

Keep your Solution just a click away:
You can choose to be kept informed of the latest news on a Solution (modifications, additions) by clicking on « **Follow** » or save it by clicking on « **Add to my selection** ».
